Dear Member:

There is a \$5 Purchasing Group membership fee applicable to all Professional Liability Insurance (PLI) member policyholders. This fee was established a few years ago in order to continue to provide benefits through the NASW Purchasing Group.

The NASW Purchasing Group, now under the auspices of NASW Assurance Services, Inc. allows you and other individual policyholders the advantages of acting as a group to achieve cost savings and efficiencies associated with

- insurance administration, i.e., filing forms and rates with all state regulatory agencies;
- claims management and risk management; and
- good loss experience (translating into lower premium costs)

NASW, through the Insurance Trust and now through NASW Assurance Services, has offered PLI to member social workers for nearly 40 years. PLI premiums have not increased in nearly 15 years, while insurance benefits have been expanding at no additional premium cost. Business expenses, however, have increased, necessitating the nominal NASW Purchasing Group fee.

We hope you will agree that the \$5 fee is a small investment in the great value you receive with broad, affordable professional liability insurance coverage. We thank you for your participation in the NASW Assurance Services Professional Liability Insurance program.

Sincerely,

Richard L. Jones, PhD
President, NASW Assurance Services
